Project Information

Project Name Southeast Sacramento County Agricultural Water

Implementing Organization	Southeast Sacramento County Agricultural Water Authority
Secondary Implementing Organization	
Proposed Start Date	4/1/2013
Proposed End Date	1/15/2015
Project Scope	1.New Monitoring Well Installation 2.Data Collection 3.Reporting 4.Project Management
Project Description	<p>Under the leadership of the Southeast Sacramento County Agricultural Water Authority ("SSCAWA"), interested stakeholders formed the South Area Water Council ("SAWC"), which initiated the effort to develop a Ground Water Management Plan ("GWMP") for the south area of Sacramento County to protect the health and viability of groundwater resource. The GWMP includes specific goals and objectives, and an action plan to provide a "road map" for the governance body as the steps necessary to manage the basin are taken in coordination with the various stakeholders. This GWMP proposed a monitoring program of 32 existing wells and one proposed additional well to assess the status of the basin, and maintain an on-going awareness of conditions and trends in response to management actions. The program included monitoring groundwater elevations, groundwater quality, land surface subsidence and analysis of surface water and groundwater interaction along the Cosumnes River and other creeks in the basin. This application seeks funding for the GWMP's proposed program, which will feed its data to California Statewide Groundwater Elevation Monitoring program (CASGEM), and produce an annual report on levels and trends for groundwater elevation and quality, land subsidence, and surface water-groundwater interaction in the basin.</p>

Project Objective

- Establish a standardized long-term network of wells that represents overall groundwater elevations for the south area of Sacramento County.
- Establish routine and reproducible procedures to collect and report on groundwater data
- Supply and produce data and summary analysis for public information, regional action plans, and analysis thereof.

APPLICANT INFORMATION AND QUESTION'S TAB

Q1. Applicant Information

Provide the agency name, address, city, state, and zip code of the applicant submitting the application.

Southeast Sacramento County Agricultural Water Authority P.O Box 445 Herald CA 95683

Q2. Proposal Description:

Provide a brief abstract of the Proposal. This abstract must provide an overview of the proposal including the main issues and priorities addressed in the proposal. Within the abstract, please describe how the proposal relates to the GWMP's BMO's.

Under the leadership of the Southeast Sacramento County Agricultural Water Authority (?SSCAWA?), interested stakeholders formed the South Area Water Council (?SAWC?), which initiated the effort to develop a Ground Water Management Plan (?GWMP?) for the south area of Sacramento County to protect the health and viability of groundwater resource. The GWMP includes specific goals and objectives, and an action plan to provide a ?road map? for the governance body as the steps necessary to manage the basin are taken in coordination with the various stakeholders. This GWMP proposed a monitoring program of 32 existing wells and one proposed additional well to assess the status of the basin, and maintain an on-going awareness of conditions and trends in response to management actions. The program included monitoring groundwater elevations, groundwater quality, land surface subsidence and analysis of surface water and groundwater interaction along the Cosumnes River and other creeks in the basin. This application seeks funding for the GWMP's proposed program, which will feed its data to California Statewide Groundwater Elevation Monitoring program (CASGEM), and produce an annual report on levels and trends for groundwater elevation and quality, land subsidence, and surface water-groundwater interaction in the basin.

Q3. Project Director:

Provide the name and details (including email) of the person responsible for executing the grant agreement for the applicant. Persons that are subcontractors to be paid by the grant cannot be listed as the Project Director.

Michael Wackman michaelkw@msn.com P.O Box 445 Herald CA 95683 Phone - 916 716 1358

Q4. Project Manager:

Provide the name and contact information (including email) of the Project Manager from the applicant agency or organization that will be the day-to-day contact on this application.

Michael Wackman michaelkw@msn.com P.O Box 445 Herald CA 95683 Phone - 916 716 1358

Q5. Additional Information:

Based on the region's location, what is the applicable DWR region office (Northern, North Central, South Central, or Southern)? The following link can be used to view each DWR region office boundaries:

http://www.water.ca.gov/groundwater/groundwater_basics/gw_contacts_info.cfm

- 1) ☐ Northern Region
- 2) ☒ North Central Region
- 3) ☐ South Central Region
- 4) ☐ Southern Region

Q6. Additional Information:

Provide the Date of GWMP Adoption, if any, and list the pursuant Water Code Section or other legal Authority in which it was adopted.

Ground Water Management Plan (GWMP) was completed in October 2011. The plenary committee recommended formation of a Joint Power Authority (JPA) to carry out the implementation plan. The JPA is expected to be formed by September 2012 and adopt this GWMP by December 2012. A draft copy of the GWMP is provided as a separate attachment.

Q7. Additional Information:

Provide a list of documents that support and indicate collaboration with other local public agencies with regard to the management of the affected groundwater basin (e.g., MOUs, MOAs, JPAs, adoption of a GWMP, recognition of county ordinances in permitting processes, or party to a groundwater basin adjudication order).

The JPA is expected to be formed by September 2012.

Q8. Additional Information

Name the entity(ies) providing the fund(s) reported in the above Budget section under the category "Other Contribution". If there are no "Other Contributions" Please answer this question with, "No Other Contributions".

N/A

Q9. Eligibility:

List the urban water suppliers that will receive funding from the proposed grant. Please provide the agency name, a contact phone number and email address. Those listed must submit self certification of compliance with CWC §525 et seq. and AB1420, see Attachment 10. If there are none, so indicate.

None

Q10. Eligibility:

Have all of the urban water suppliers, listed in Q9 above, submitted complete 2010 UWMP to DWR? If not, explain why. Have those plans been verified as complete by DWR? If not, explain current status.

None

Q11. Completeness Check:

Have all of the fields in the application been completed?

Yes

Q.11. Completeness Check (cont)

If no, please explain. If yes, answer this question with "NA".

NA
